

What to Say When Equipment Breaks Down

ACT UP

to stop working properly or start causing problems

One of the doors is acting up, so maintenance is coming to look at it.

GET JAMMED

to get stuck and stop working properly

The paper got jammed in the printer.

BE DOWN

to not be working

The vending machine's still down.

RUN INTO A PROBLEM

to suddenly have a problem

We've run into a problem on the production line.

www.realbusinessenglish.com

WE'RE HAVING TROUBLE WITH...

something is not working well or is difficult to deal with

We've been having trouble with that machine all week.

THERE'S AN ISSUE WITH...

something is wrong with it

We're having an issue with one of the scanners.
